EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jon Dickinson on 02 March 2006.

The application has been amended as follows:

In the claims:

Claims 6 and 8-13 have been cancelled.

2. It is noted that the drawings appear to be informal. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings.

3. The following is an examiner's statement of reasons for allowance: the limitations reciting a wear-replaceable resilient cover structure having an armature with perforations and diameters as claimed in relation to a sleeve having diameters as claimed in such a way sleeve material extends into and through the perforations as claimed in combination with other limitations set forth in claim 1 are not anticipated or made obvious by the cited prior art. For example, Schuster discloses rollers having a sheet metal cylinder with apertures and an outer rubber facing. However, Schuster does not teach a wear-replaceable resilient cover structure having the armature with the perforations and the diameters as claimed in relation to the sleeve having the diameters

as claimed in such a way sleeve material extends into and through the perforations as claimed in combination with other limitations set forth in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Choi whose telephone number is 571-272-4504. The examiner can normally be reached on Monday-Thursday 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Allan N. Shoap can be reached on 571-272-4514. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
